Aries (21 March – 19 April) - You can make your biggest steps forward in your career this month if you pay special attention to opportunities provided by a partner or mate. Your communication abilities are at a peak and will help you to get to the next step at work. Money should be improving this month. Work carefully to keep your relationship in balance. You will enjoy social activities that may arise spontaneously. If you have children, be sure to take time to find out what they are up to. Favorable Dates : March 2, 5, 11, 14, 20, 23 Favorable Colors – Red & Purple

Taurus (20 April – 20 May) - This month is great for your creative passions to be unleashed. Join with friends to pursue some unusual entertainment. You might get an intense feeling of nostalgia— it could be that you start thinking about the path not taken. Some new ideas are brought into your personal romantic arena as well as some inspiring new people. At the same time, an old issue in your love life could revive itself, to your consternation. Don't forget to learn from the experiences of those around you, and don't forget to maintain forward motion. Favorable Dates : March 4, 8, 13, 17, 22, 26 Favorable Colors – Red & White

Gemini (21 May – 20 June) - Your luck will be amazing. More often than not, you'll end up in the right place at the perfect time. Things at work are beginning to take off in a big way and you may feel like you are a bit over your head. Work should be very fulfilling though, and this is a good time to get some recognition there. It is a highly social time for you, and may involve some travel by yourself. You will have the opportunity to connect with a soul-mate or a situation which elevates and energizes you. Favorable Dates : March 2, 7, 11, 16, 20, 25 Favorable Colors – Red & Purple

Cancer (21 June – 22 July) - It may be your time to shine. Your teaching and counseling skills are at a peak now. You'll have a new attitude toward your coworkers and your management style will be well regarded. Money is improving, although there can be some major expenses that soak up the excess. You will need to make some financial decisions, but you have to make them on instinct. This is an excellent time for social activities with friends or lovers. It would be filled with lots of opportunities for short trips. Favorable Dates : March 3, 6, 12, 15, 21, 24 Favorable Colors – Red & Yellow

Leo (23 July – 22 August) - The financial tendency should be towards increase. You may even come into some unexpected money. Work finds you doing the same old thing, and it's a grind, but you are at least comfortable with it. The middle of the month is a time of change and growth. It is a good time to share your dreams, and to make plans together with your mate for the future. Towards the end of the month you get a chance to escape and have some fun, but don't forget work because it will be there waiting for you when you return. Favorable Dates : March 1, 7, 10, 16, 19, 25 Favorable Colors – Red & White

Virgo (23 August – 22 September) - Your finances are looking up, and you are feeling more positive and idealistic. Money comes from unexpected sources, but there may be unexpected expenses too so watch your budget. Friendships are changing and new friends can bring new opportunities for travel and social experiences. Enjoy them. If a romantic test comes your way in, you'll pass with flying colors, and exciting new energy enters into your love life. Be open and let it in no matter what unusual form it may take, and be ready for almost anything to happen. Favorable Dates : March 2, 9, 11, 18, 20, 27 Favorable Colors – Blue & Yellow

horoscopes

Libra (23 September – 22 October) – This is a time of work, and if you are willing to put the time and effort in, you can accomplish a great deal and get both financial and social recognition. Finances should be improving. Your intuition, especially relative to career matters, is high. Pay attention to the details, and don't get caught in a web of complexities. It's your chance to be in the front lines where you can show yourself off. You may also be involved in family matters, either yours or your mates, and you will be required to make some decisions, and some choices. Favorable Dates : March 2, 4, 11, 13, 20, 22 Favorable Colors – Blue & White

Scorpio (23 October – 21 November) - Career opportunities are there if you reach for them. You can shine all through the month. Your personal skills receive recognition. You and your partner are likely keeping your activities and plans secret. You'll be after true intimacy on all levels, and you won't stop until you have it. Your partner's finances are likely to be fluctuating and you may find yourself needing to help. The end of the month is a good time to travel or move your residence or expand your social activities at home. Favorable Dates : March 3, 6, 12, 15, 21, 24 Favorable Colors – Red & Yellow

Sagittarius (22 November -21 December) - There is a lot of energy for work and health programs in the coming weeks, even if today it's more about the world of feelings. You are gathering big ideas and may feel a strong sense of building excitement for upcoming projects. Put your energy into something constructive so you don't antagonize people. Keep your relationships balanced. Events cause you to focus more attention on your mate, or on looking for one. It might also be a good time to move ahead with some of those major home projects you've been planning. Favorable Dates : March 1, 4, 10, 13, 19, 22 Favorable Colors – Red & Purple

Capricorn (22 December – 19 January) - Motivation levels continue to increase, and you can be filled with ideas and plans. There is promise or a hint of something big to come. You can feel hungry for new feelings and experiences, and at the same time feel confident that opportunities are opening for you, although there may be some balancing work that needs doing if you've overcommitted. There is also excitement building on business and practical fronts. Home, career, relationships, all seem to be going well and moving along at a fast pace. Favorable Dates : March 6, 9, 15, 18, 24, 27 Favorable Colors – Yellow & Blue

Aquarius (20 January – 18 February) - You may need to straighten out areas of your life where you've overcommitted or poured too much of your energy to the detriment of other life departments. There is nevertheless a sense that you're going somewhere and that big opportunities are emerging. A soul-mate helps you to make a decision that may be life-altering. You might achieve especially good results in meditation or charity during this month as well. Follow your gut and let your intuition guide you. You will be rewarded if you do so. Favorable Dates : March 2, 7, 11, 16, 20, 25 Favorable Colors – White & Green

Pisces (19 February – 20 March) - You are more courageous and adventurous now, with a tendency to act before thinking. You find yourself doing all sorts of different things during the course of this month. This may introduce you to some new fields of opportunity. Exercise patience and selflessness where possible, but embrace courage and directness. There is a building feeling of excitement when it comes to relationship opportunities and fulfillment through partnerships with you now. You can feel that you're growing and improving, and that your relationships are evolving as you do. Favorable Dates : March 1, 7, 10, 16, 19, 25 Favorable Colors – Yellow & Grey
